

## Data Dictionary for Dataset: Grants for Weatherization Services

Column	Column Name / Field Name	Description
<b>A</b>	Agency	Agency/partner through which the weatherization services were provided.
<b>B</b>	Invoice Date	Date of invoice from agency to DNREC.
<b>C</b>	Client Reference #	Unique identifier of record of weatherization assistance.
<b>D</b>	Program Year	Program year in which the final inspection of the services was performed. The program year for this program runs from April 1 to March 31. Program year 2017, for example, ran from April 1, 2017, through March 31, 2018.
<b>E</b>	Deferral (Y/N)	Was the housing unit deferred from the program (Y or N)?
<b>F</b>	City	City in which the housing unit is located.
<b>G</b>	County	County in which the housing unit is located.
<b>H</b>	Zip	Zip Code of the housing unit.
<b>I</b>	Unit Ownership	Is the housing unit owned or rented?
<b>J</b>	Housing Unit Type	Type of housing unit.
<b>K</b>	# Elderly	Number of elderly persons living in the housing unit.
<b>L</b>	# Children	Number of children living in the housing unit.
<b>M</b>	# Disabled Occupants	Number of disabled persons living in the housing unit.
<b>N</b>	# Native American Occupants	Number of Native American persons living in the housing unit.
<b>O</b>	# Other Occupants	Number of other persons living in the housing unit.
<b>P</b>	# Total Occupants	Total number of persons living in the housing unit.
<b>Q</b>	Primary Heating Fuel	Primary type of fuel used heat the housing unit.
<b>R</b>	Utility	Utility that provides services to the housing unit.
<b>S</b>	Unit Year Built	Year that the housing unit was built.
<b>T</b>	Unit Size (SF)	Size, in square feet, of the housing unit.
<b>U</b>	Unit Stories	Number of stories of the housing unit.
<b>V</b>	Auditor	Name of the person who performed the audit of the housing unit.
<b>W</b>	WX Contractor	Name of the weatherization contractor who

		performed the weatherization services.
<b>X</b>	HVAC Contractor	Name of the HVAC contractor who performed HVAC services.
<b>Y</b>	Final Inspector	Name of the person who performed the final inspection of the services provided.
<b>Z</b>	Pre-WX test CFM	Amount of air leakage found in tests, in cubic feet per minute, before weatherization services.
<b>AA</b>	Post-WX test CFM	Amount of air leakage found in tests, in cubic feet per minute, after weatherization services.
<b>AB</b>	Total CFM difference	Amount of air leakage, measured in cubic feet per minute, saved through weatherization services.
<b>AC</b>	Funding Assignment	Funding source, or combination of funding sources, used to pay for weatherization services. They are: WAP BASE (federal Dept. of Energy grant funds for the Weatherization Assistance Program), LIHEAP (federal DHHS grant funds for weatherizing homes), UTILITY (state funds received from Delmarva Power ratepayers designated for weatherizing homes), and RGGI WAP (state funds received through Regional Greenhouse Gas Initiative auctions for weatherization). Prior to 2017, projects for which more than one funding source was used were reported as two records, with identical Client Reference numbers.
<b>AD</b>	Furnace Replacement (Y/N)	Was the furnace replaced? (Y or N)
<b>AE</b>	Total Invoice Cost	Total cost of all weatherization and health and safety services provided to the housing unit. Health and safety costs are those related services not deemed "weatherization" (such as CO and smoke detectors, electrical updates, and ventilation improvements).
<b>AF</b>	PO Amount WAP BASE	Amount of the total weatherization cost that came from WAP BASE funds.
<b>AG</b>	PO Amount RGGI WAP	Amount of the total weatherization cost that came from RGGI WAP funds.
<b>AH</b>	PO Amount WAP UTILITY	Amount of the total weatherization cost that came from WAP UTILITY funds.
<b>AI</b>	PO Amount LIHEAP	Amount of the total weatherization cost that came from LIHEAP funds.
<b>AJ</b>	H&S Amount WAP BASE	Amount of the total health and safety cost that came from WAP BASE funds.
<b>AK</b>	H&S Amount RGGI WAP	Amount of the total health and safety cost that came from RGGI WAP funds.
<b>AL</b>	H&S Amount WAP UTILITY	Amount of the total health and safety cost that came from WAP UTILITY funds.

<b>AM</b>	H&S Amount LIHEAP	Amount of the total health and safety cost that came from LIHEAP funds.
